

STAFF PSYCHOLOGIST
AT MCLEAN HOSPITAL

McLean Hospital, America's top ranked freestanding psychiatric hospital, is inviting applications for a **Part-time (32 hours per week) Staff Psychologist**, located at Fernside, an addiction recovery program located in **Princeton, MA**.

The staff psychologist will conduct clinical psychology with patients using psychosocial techniques to facilitate more flexible and successful adaptation to the demands of psychological development and of the environment (e.g., family, school, community and employment).

The staff psychologist provides clinical services including individual psychotherapy, family therapy and leading groups. Will maintain contact with family members as appropriate, and document in the record the completion of treatment plans, patient encounter forms, appropriate progress notes, clinical summaries and other documentation. Successful candidate takes primary responsibility for case management including aftercare referrals, appointments, and care coordination and will serve as liaison to other health care professionals. Expectation to provide interface with payers and managed care organizations through completion of timely and effective reviews when needed and to participate in program and hospital administrative activities.

This role will participate in the hospital teaching and research efforts, including supervision, teaching and mentoring of interns and fellows.

Salary and recruitment package in accordance with Hospital policies, and a Harvard Medical School appointment at the academic rank of Lecturer, Instructor or Assistant Professor (part time) will be contingent on meeting the requirements for an HMS appointment and candidate qualifications including Massachusetts licensure.

Qualifications:

Ph.D. or Psy.D. in psychology from an accredited school of psychology. Licensed or eligible for licensure in the Commonwealth of Massachusetts.

This position requires clinical psychology knowledge and practice which incorporates a variety of models including psychodynamic, biological, supportive, cognitive behavioral, exploratory-interpretive, motivational, or educational. Clinical psychology practice applies specific knowledge, theories and methods to assessment and diagnosis, treatment (individual, couple, family and group) and aftercare planning.

Applicants should submit a letter of interest and curriculum vitae along with the names and addresses of three references by email to: Rocco Iannucci, M.D., Director, McLean Fernside, Division of Alcohol, Drugs, and Addiction, McLean Fernside, P.O. Box 1070, Princeton, MA 01541, Email: riannucci@mgb.org and the Registrar and Professional Staff Office at rpsomclean@partners.org

All McLean team members are expected to consistently demonstrate our values of integrity, compassion, respect, diversity, teamwork, excellence and innovation in their work activities and interactions.

We are an equal opportunity employer, and all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, national origin, disability status, protected veteran status, gender identity, sexual orientation, pregnancy and pregnancy-related conditions or any other characteristic protected by law.

A member of Mass General Brigham.
