Space Medicine Faculty Positions

The Department of Emergency Medicine at Massachusetts General Hospital is seeking candidates for an academic faculty position. Candidates must have a commitment to excellence in clinical care and teaching and an expertise in space medicine; academic appointment will be at Harvard Medical School at the instructor, assistant professor or associate professor level.

MGH is the home of the 4-year MGH/BWH Harvard Affiliated Emergency Medicine Residency Program. The ED at MGH is a high volume, high acuity level 1 adult and pediatric trauma and burn center caring for over 115,000 patients annually.

The successful candidate will join a faculty of over 60 academic emergency physicians in a department with active research and teaching programs as well as fellowship programs in administration, research, health policy, ultrasonography, medical education, geriatrics, wilderness medicine, space medicine, and disaster medicine.

Inquiries should be accompanied by a curriculum vitae and may be submitted by email (araja@mgh.harvard.edu) to:
