

BRIGHAM AND
WOMEN'S HOSPITAL

**Department of Orthopaedic Surgery
Academic Orthopaedic Surgeons**

The Department of Orthopaedic Surgery at Brigham and Women's Hospital is seeking **two** academic orthopaedic surgeons to join the Department. One surgeon in the ***Hand and Upper Extremity Division*** and one in the ***Sports Medicine Division***.

The candidates should be fellowship trained in this specialty. The candidates will be expected to be active clinically as well as academically, including research, teaching of medical students, residents, and fellows.

Appointment as an Instructor, Assistant or Associate Professor at Harvard Medical School will be commensurate with experience, training, and achievement. In addition to teaching activities, a suitable candidate will have an MD and Board certification in Orthopaedic Surgery.

We are an equal opportunity employer and all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, national origin, disability status, protected veteran status, gender identity, sexual orientation, pregnancy and pregnancy-related conditions or any other characteristic protected by law.

Please send your CV and letter of interest to Brenda Surowiec in Dr. James Kang's office at bsurowiec@bwh.harvard.edu
