

Where the world comes for answers

PEDIATRIC NEUROLOGIST
BOSTON CHILDREN'S HOSPITAL

The Department of Neurology at Boston Children's Hospital is seeking applicants for a Pediatric Neurologist. We are particularly interested in candidates with a focus in inpatient care on the Pediatric Neurocritical Care Neurology Consult Service. The successful applicant will join the thriving Department of Neurology. The candidate must possess an MD degree or equivalent and be board eligible/certified in Neurology. The successful applicant will be appointed at a Harvard Medical School rank (Instructor, Assistant or Associate Professor) commensurate with experience, training and achievements in addition to teaching activities. The candidate should have a longstanding history of delivering superb clinical care.

Interested candidates should forward their curriculum vitae to:
