

## CHILD AND ADOLESCENT PSYCHIATRISTS AT MCLEAN HOSPITAL

McLean Hospital, America's top ranked freestanding psychiatric hospital, is inviting applications for Child/Adolescent Psychiatrists in our Division of Child and Adolescent Psychiatry. Our programs include both general and specialty programs (i.e., OCDI-Jr and 3East DBT Continuum) at all levels of care (inpatient, residential, partial, outpatient), and at sites including Belmont, Arlington, Cambridge, and Middleborough MA—plus the McLean-Franciscans partnership.

Full and part-time positions are available at our OCDI Junior Program and a new Child Partial Program, plus others.

As part of our expanding team, the child and adolescent psychiatrists will have the opportunity for leadership and professional collaboration Division-wide. Our multidisciplinary team provides first-class treatment to children and adolescents and their families in an exciting environment including Harvard-affiliated psychiatry, psychology, and social work trainees, plus opportunities for research and academic pursuits. Successful candidate will provide supervision and teaching to Residents, Fellows and other trainees.

Salary and recruitment package in accordance with Hospital policies, and a Harvard Medical School appointment at the academic rank of Lecturer, Instructor or Assistant Professor (full or part time) will be contingent on meeting the requirements for an HMS appointment and candidate qualifications including Massachusetts medical license, and being board certified/board eligible.
