

**ACADEMIC NEUROINTENSIVIST
BRIGHAM & WOMEN'S HOSPITAL
DEPARTMENT OF NEUROLOGY**

Brigham and Women's Hospital is seeking an academic Neurocritical Care physician. The candidate will have the opportunity to pursue academic interests in research and training of residents, fellows, and medical students. Hospital appointment is Associate Neurologist and academic title of Instructor, Assistant Professor or Associate Professor at Harvard Medical School is commensurate with experience and scholarship in the field. Candidates should possess a Massachusetts license to practice medicine, be fellowship trained in Neurocritical Care and be board-eligible or certified in Neurology and Neurocritical Care. The ideal candidate should have a strong record as a clinician and possess a passionate commitment to patient care, academics, and teaching.
