

CONSULTATION PSYCHIATRIST – PART TIME (0.125 FTE)
AT MCLEAN HOSPITAL

McLean Hospital, America's top ranked freestanding psychiatric hospital, is inviting applications for a Consultation Psychiatrist in the Metabolic and Mental Health Program, in Belmont, MA.

The **Metabolic and Mental Health Program** will advance the study of the metabolic drivers of mental health disorders and the application of metabolic interventions to treat them. The program is located within the Psychotic Disorders Division where metabolic treatments have had their greatest early impact.

The Consultation Psychiatrist provides psychiatric evaluation, diagnosis and treatment recommendations for patients referred to the Metabolic and Mental Health Consultation Service. Successful candidate will formulate individual metabolic treatment plans for patients with a variety of psychiatric diagnoses and will collaborate with a multi-disciplinary research and clinical team. Candidate will consult with referring clinicians and follow patient progress over time. This role will have teaching and supervision responsibilities within the program and hospital for residents and fellows in addition to supervision for the consultation team, including a dietitian and health and wellness coach.

Salary and recruitment package in accordance with Hospital policies, and a Harvard Medical School appointment at the academic rank of Lecturer, Instructor or Assistant Professor (full or part time) will be contingent on meeting the requirements for an HMS appointment and candidate qualifications including Massachusetts medical license and being board certified/board eligible.

Qualifications:

M.D. degree or equivalent as confirmed by ECFMG, 3 to 4 years formal residency education in a program approved by the RRC of the ACGME. ABP&N eligible or certified psychiatrist. License to practice medicine in the Commonwealth of MA.

Applicants should submit a letter of interest and curriculum vitae along with the names and addresses of three references by email to: Dr. Christopher Palmer, Director, Metabolic and Mental Health Program, McLean Hospital, 115 Mill Street, Belmont, MA 02478, Email: cpalmer@mgb.org and the Registrar and Professional Staff Office at rpsomclean@mgb.org

All McLean team members are expected to consistently demonstrate our values of integrity, compassion, respect, diversity, teamwork, excellence and innovation in their work activities and interactions.

We are an equal opportunity employer and all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, national origin, disability status, protected veteran status, gender identity, sexual orientation, pregnancy and pregnancy-related conditions or any other characteristic protected by law.

A member of Mass General Brigham.
