

## **Brigham and Women's Hospital, Department of Radiology Breast Imaging Radiologist**

The Department of Radiology at Brigham and Women's Hospital, Harvard Medical School has an opening for a breast imaging radiologist at the Instructor or Assistant Professor level.

Located in the thriving Boston metropolis, the Department of Radiology at Brigham and Women's Hospital is a member of Mass General Brigham Integrated Healthcare system, comprised of 2 renowned academic medical centers and 10 specialty and community hospitals. It has connections to biotech and the broad scientific community within Harvard Medical School and MIT, providing ample opportunities for innovative research and teaching. Additional benefits to living in this vibrant, resourceful and culture-rich environment include excellent public-school systems, easy access to both the ocean and the mountains, and at-home workstations to support work-life balance. The department has a robust education and research portfolio including 42 residents and 65 subspecialty fellows. In addition, the department offers 20% protected research/education time (one day per week).

The Department has a long and distinguished history of excellence in clinical care, groundbreaking research and training the next generation of breast imagers. The Breast Imaging Division provides comprehensive breast care at five sites, including the Lee Bell Breast Imaging Center at Brigham and Women's Hospital, the Faulkner Hospital, two busy outpatient centers, and the Dana Farber Cancer Institute. State of the art equipment includes digital breast tomosynthesis, ultrasound, Affirm biopsy units, and 1.5T and 3T MR.

Interested candidates should send a CV and a cover letter to:

Dylan Kwait, MD  
Division Chief, Breast Imaging  
Department of Radiology, Brigham and Women's Hospital  
75 Francis Street  
Boston, MA 02115
