

Chief, Department of Laboratory Medicine, Boston Children's Hospital

Boston Children's Hospital seeks to recruit the next Chief, Department of Laboratory Medicine. Interested candidates should have a distinguished record of clinical excellence, teaching, and scholarly accomplishments consistent with a Harvard Medical School appointment at the rank of Professor or Associate Professor. A keen understanding of complex clinical operations and ability to manage capital and operating budgets is desired.

Candidates must be board certified in Clinical Pathology or equivalent training with subspecialty certification in Pediatric Pathology preferred. Eligibility for licensure without restriction within the Commonwealth of Massachusetts is required.

All inquiries are confidential. Interested candidates should forward a personal statement and CV to:

David Reusser (o/b/o Chair of Search Committee)
