

## Neurologist-in-Chief, Boston Children's Hospital

Boston Children's Hospital seeks to recruit the next Neurologist-in-Chief. Interested candidates should have a distinguished record of clinical excellence, teaching, and scholarly accomplishments consistent with a Harvard Medical School appointment at the rank of Professor or Associate Professor. A keen understanding of complex clinical operations and ability to manage capital and operating budgets is desired.

Candidates must be board certified in Neurology or equivalent training with subspecialty certification in Child Neurology and eligible for licensure without restriction within the Commonwealth of Massachusetts.

All inquiries are confidential. Interested candidates should forward a personal statement and CV to:
