

## Materials Required for Submission for the Rank of Professor in a Secondary Department within the Faculty of Medicine CHECKLIST

The Department Head of the secondary appointing department submits materials electronically to the Office for Faculty Affairs at: [professorial.materials@hms.harvard.edu](mailto:professorial.materials@hms.harvard.edu). Please ensure that all materials are complete prior to submission, and all documents are sent as separate files, at the same time.

If an institution has a Senior Appointments Committee (e.g., BCH, BIDMC, BWH, DFCI, MGH), the OFA will share the submitted materials with the appropriate committee for review and obtain documentation of approval from that committee.

To the best of my knowledge, other than as may be indicated herein, the candidate has not been sanctioned or disciplined by a hospital, state licensing board, the NIH, the FDA, or any other legal, regulatory, or institutional authority. There are no pending or closed investigations or other concerns known to me that raise questions about the candidate's integrity, professionalism, competence, interactions with colleagues, or the quality of the candidate's contributions as a member of the Faculty of Medicine of Harvard University.
